PROMOTIONAL GIFT
AWARD 2013

Show your clients or employees a token of your appreciation while helping someone in need. Spread a sustainable and fair message with a (branded) WakaWaka solar charger or any other product.

Light up your outdoor adventures

See and be seen with the WakaWaka Light, a compact, highly efficient solar powered flashlight. Out overnight? You won't be let down no matter how long you're on the move. And know that with every purchase, you help someone in need access clean energy around the world.

The WakaWaka Power+ is a powerful, compact solar power bank and flashlight for every outdoor situation. Going to a festival, camping, or picnicking? Have the power you need to share your stories with your friends, use your action cam, play music, or just light up the night sky. All with free energy from the sun. Plus know that with every purchase, you help someone in need access clean energy anywhere in the world.

WakaWaka Solar Libraries

With WakaWaka you light up a life of school children, providing them with light so they can do their homework. The lights are donated to schools who in turn lends the lights to students, together with their books. At the end of the school year the lights are returned to the school, to be used by the next cohort. This is what WakaWaka calls a Solar Library.

This donation model does not disrupt markets, but in fact it stimulates the demand for solar powered products and it has a direct impact on school results.

FOR EVERY PRODUCT SOLD, THE WAKAWAKA FOUNDATION LIGHTS UP A LIFE!
