HOW TO CUSTOMIZE
Our sustainable gifts come with a full colour personalized wrap or packaging. Fully customizable!

Glass jar for organic sprouting

Easily grow sprout vegetables in a decorative glass jar with stainless steel grid.

Choice of included bag of sprout vegetable seeds:

- Spicy mix
- Radish
- Salad mix
- Bean sprouts

Hexagon insect hotels for biodiversity in the garden

Give the insects in your garden a protected home with an insect hotel.

Choice of 6 different hexagon insect hotels:

- Bee hotel
- Butterfly hotel
- Insect hotel
- Bird feeder
- Ladybug hotel
- Nest box

TIP Combine several hexagon insect hotels for even more biodiversity!

Seed bags made of tomato fibre paper, herbs, vegetables and flowers

Promotional seed packets, a great way to get your company name out there and have potential clients remember you.

Choice of 4 types of seeds, in 3 sizes of bags (S, M and L):

- Herbs
- Vegetables
- Flowers
- Flower mix

Choose from more than 2,000 varieties of herbs, vegetable and flower seeds, including a wide range of organic seeds.
